

Zoltach Reading Guidelines

Very Important

****Please read and follow to receive the best results of information during your conversation with Zoltach:**

Please prepare your questions a day or two in advance of your session, approx 12 questions in the 30 minute consultation (we may not get to them all). Also be prepared to jot down any additional questions during the session that may come up as a result of your answers from Zoltach.

If you need clarification of what may be asked or how to ask it please contact us prior to the reading.

Arrange your questions in "priority" order before arrival at the session. Meaning, please ask the most important questions first.

Please be specific with questions. Your answers are only as good as your questions. The more detailed you can be - the better the answers. If you ask a vague or general question you will get a general answer.

Inquiries on living persons: Full name, age and living address. (Birth date is helpful)

Persons who have crossed over: Full name, age when crossed and where they crossed.

When inquiring about a business or place of work: Name of business and full address.

Questions which may be asked are limited only by your imagination and scope of interest some suggestions are:

- Health scans and advice pertinent to these;
- Past lives, Life contracts and personal relationships;
- Business and financial affairs;
- Aptitudes and avocations;
- Spiritual and personal growth counseling.

If you don't understand an answer Please ask for clarification. Some of the terms used or phrasing may be different than what you are used to. We strive for clear understandings.

Many times Zoltach needs to form a greater vibrational connection with you he does this by holding an object that you have had a lot of contact with. This is called Psychometry. Personal items may be a piece of jewelry or watch. Anything that is not digital and is worn close to the body.

Many times during the reading the energies in the room may make you feel a little 'heady' these energies are healing physically and emotionally so please enjoy this little break from the everyday world.

The sacred room you are invited to has been carefully prepared in advance of your arrival by Sayge and therefore must be respected. We ask that you do not touch anything within the room.

We adhere to strict confidentiality practices.

Thank you!
